

Music sampler

Three ABC blocks of increasing complexity. The third one uses the `%%score` directive to lock two staves into a piano/harp grand-staff layout.

A one-line melody `â,~` the opening of "Frère Jacques" in G:

[ABC music notation:

X:1 T:Frere Jacques M:4/4 L:1/4 K:G G A B G | G A B G | B c d2 | B c d2 |]

A short tune with chord symbols above the staff:

[ABC music notation:X:2 T:Twelve-Bar Blues in G C:Traditional M:4/4 L:1/4 K:G "G7" G B d f | "G7" G B d f | "G7" G B d f | "G7" G B d f | "C7" c e g b | "C7" c e g b | "G7" G B d f | "G7" G B d f | "D7" A c e g | "C7" c e g b | "G7" G B d f | "D7" A c e g |]

A harp grand-staff piece `â,~` treble (right hand) and bass (left hand) joined by the `%%score` directive so they render as a single brace-coupled system:

[ABC music notation:X:3 T:Prelude for Harp C:mlout regression suite M:3/4 L:1/8 Q:1/4=72 K:C %%score {RB} {LH} V:RH clef=treble V:LH clef=bass V:RH] "C" E2 G2 z2 | "F#C" F2 A2 z2 | "G#B" D2 G2 B2 | "C" E2 G2 z2 | [V:LH] C4 E2 | C4 E2 | [G,4 G,2 | C,4 C,2 | [V:RH] "Am" A,2 C,2 E,2 | "Dm" D,2 F,2 A,2 | "G7" G,2 B,2 D,2 | "C" C,2 E,2 G,2 | [V:LH] A,4 C,2 | D,4 F,2 | [G,4 G,2 | C,4 C,2 |]

These blocks currently render as code blocks `â,~` once the `@ABC` passthrough macro lands, `mdlout` should reroute fenced `abc` blocks into engraved music.
